### **Agenda**

- 1** Welcome and outline of meeting by the Chair, John Dickie, followed by acceptance (or not!) of the minutes from the last AGM and a list of apologies from those unable to attend.
- 2** John Marsden to explain how we are using Zoom and the voting procedure. (Voting is explained on page 7 of this document.)
- 3** Reading of the NC motion by John Dickie. National Secretary, David Symonds to speak in favour, followed by an opportunity for anyone to speak against it.  
*(Attendees could leave the meeting after the vote, if necessary.)*
- 4** Election of officers, i.e. members with roles on the National Committee. Janet Saunders would like to stand down as Publicity Officer, but would be happy to job-share initially. We are also looking for a Training Officer.
- 5** A short comment on the financial report by National Treasurer Humphrey Southall. (The report is on pages 3-4.)
- 6** National Trips Officer Becky Bates to lead a short discussion on the effects of Covid restrictions on longer trips and day walks. Is it possible to avoid losing members if activities are severely reduced?
- 7** AOB
- 8** Optional viewing of 2 recommended short films by Mark Ryle, showing Scottish RR members being adventurous!
